Pursuant to LR IA 6-1, Federal Defendants, U.S. Bureau of Land Management, et al. (“Federal Defendants”), request a one week extension of Federal Defendants and Defendant-Intervenor’s deadline to file replies in support of their respective Cross Motions for Summary Judgment (ECF #68 and #69). This is the fourth unopposed motion of stipulation for an extension of the briefing schedule.

The deadline for the replies is currently April 12, 2022 (ECF #65). However, due to an unexpected absence and the time required to facilitate management review within the Department of Justice and Department of the Interior, Federal Defendants require an additional week. In accordance with the previously stipulated schedule, Defendant-Intervenors have requested to maintain the same deadline as Federal Defendants.

1 The Parties have conferred and none oppose this motion. Thus, Federal
2 Defendants respectfully request the Court grant this extension request and set **April 19,**
3 **2022** as Federal Defendants' and Defendant-Intervenor's deadline to file reply briefs in
4 support of their respective cross-motions for summary judgment.
